Friday 10th February 2017

Dear Parents,

We are now officially half way through the school year! I cannot quite believe how quickly a school year passes. This half term, although short, has been packed full of trips, visits, events and competitions. We have also set up our Parents Association who have many fabulous ideas for next half term, so watch this space.

This week, all of our children have competed in the inter class Dance Competition. For those of you who attended, I'm sure you could see the effort and dedication that went into each routine. The children at Thames View Junior School have many skills and talents but I am most proud of their teamwork, can do attitudes and that they will do everything they can to support others. They give 100% to support their classmates and for me, this is something that makes our school and the community a very special place.

Next half term, brings more hard work, the year 6's will continue to work hard towards their SATs in May. The children will start new topics and will continue to have access to a wide range of clubs and trips.

March also brings one of my favourite weeks of the school year, book week and World Book Day! I may already be working on my costume! We will also be holding Easter Discos and the Parents Association are going to be arranging a Bingo Night at school. So, lots to look forward to.

Finally, I hope that you all have a lovely half term with your families. School opens again on Monday 20th February.

Best Wishes,

Sara
